# Introduction

VTN Oracle is a black female owned accounting and business advisory firm originally founded in 2009.

The practice boasts of more than 17 years of modern, mature and insight driven experience that empowers SMEs with practical guidance and innovative tools beyond compliance.

VTN Oracle has always been more than an accounting practice,  
it's a reflection of resilience, learning, and shared growth

**We do so with energy and deeper understanding  
of the Entrepreneurial journey.**

# Our Vision

To be the most trusted advisor and compliance partner for SMEs across South Africa, **unlocking growth through wisdom, technology and world class accounting support.**

# Our Mission

1

**Deliver accessible, tech-enabled accounting solutions** that are easy for SMEs to adopt and use.

2

**Simplify compliance and financial management**, reducing complexity and administrative burden.

3

**Improve financial health and long-term sustainability** for small and medium enterprises.

# Why Us

## **We are Business Enablers, not just Accountants**

We go beyond traditional accounting to actively support business growth

## **Tailored Services for SMEs**

We understand the unique challenges SMEs face, including access to market, funding and compliance etc. Our flexible budget conscious services are designed to align with their goals.

## **Proactive and Forward Looking Solutions**

We not only focus on historical data but rather offer real time financial insights to prepare business for future challenges and opportunities.

## **Compliance Simplified**

We do the daunting task of simplifying compliance, ensuring your business meets all statutory obligations while optimizing tax benefits.

## **A Partner in Your Success**

We don't just work for you; we work with You. Whether you are Starting, Growing, or Sustaining business, our partnership approach ensures we are with you every step of the way.

## **Development of Local Economies**

By working with us, you contribute to empower a 100% black female owned business committed to the development of the SME sector especially the marginalized groups and contribute to the growth of SA economy.

## **Technology Driven Efficiency**

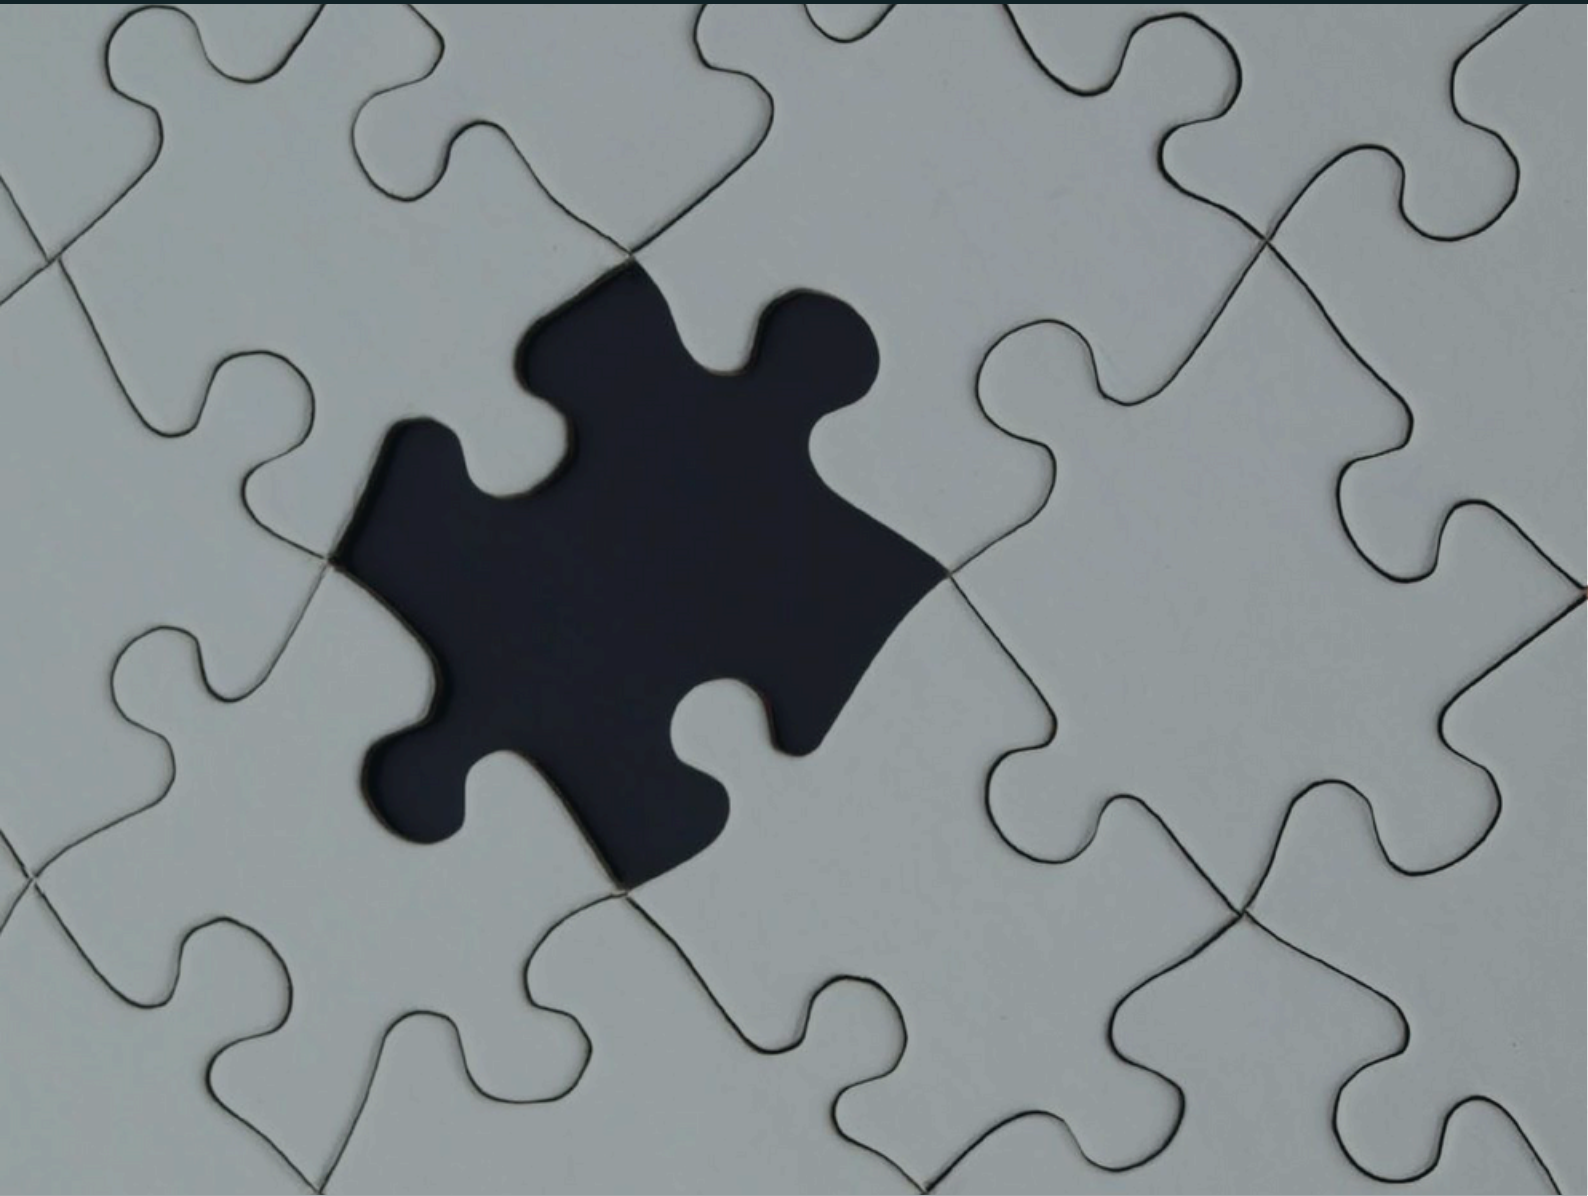

We leverage cloud accounting software solutions and automation tools to streamline processes, reduce errors and save time.

# Our Approach

Our approach goes beyond individual business owners. VTN Oracle will partner with business chambers, incubators, and government agencies to drive enterprise development through workshops, mentorship, and information awareness sessions

We will continue to champion compliance excellence while delivering unique and practical insights that empower business growth
